FOLD ↑ Jeff.....Thanks for the check. You are right about my billing not agreeing with yours.....I set up the contract on the average but your billing will be for the actual announcements ran. Hopefully, at the end of the contract, we will come out even....if no ann are missed.

Please let Bill know that if there is a renewal for Cribari it won't be till late summer or early Fall. Maybe I can hurry things up.....at least I'll try. Levi's is out for now. AE and Levi Ad Mgr sitting on everything. I am working on next year now. The next Levi schedule is late Summer and the stations still will not be operating. I am pitching the possibility of a Sept-Oct schedule....over and above their regular scheduling....

Regards
